GULF COAST MUSIC was founded in the winter of 1988 in Fort Myers. Our teachers offer Suzuki/Traditional music lessons to students ages 4 and up. We believe that all children will learn to play beautifully in a nurturing environment with quality instruction. We share teaching ideas with other teachers, locally and globally. As musicians, we are lifelong learners.

Partnership with parents is a key component of our program and together we give students a gift they will cherish forever.

PURPOSE: This camp was developed to provide students an opportunity to learn from accomplished local musicians and musicians from outside Southwest Florida.

Through focused classes, students gain motivation and build on prior knowledge. The instruction received during camp will help students sustain success throughout the following school year.

ENROLLMENT in the Summer Camp is open to students ages 4 and older. Beginners and advanced students are welcome, as well as those who study privately or with an organized school or orchestra program.
