

Dear Gulf Coast Music School Families,

The Suzuki Association of the Americas (SAA) offers an awesome online series for parents. Many of our parents participated last year and told me that they really enjoyed it. It's great that you can watch the videos when it is convenient for you. I encourage you to participate. I will register for \$45. As an added incentive - the first 5 parents to contact me will participate for free! After that, registration will be \$8 each. Please email me by February 15, 2013 if you would like to register. I will need to submit our list of parents to the SAA.

Thank you,
Chris
