PRACTICE GAME

We have started an exciting practice game! Students have been given a review chart to log the review pieces they play. We will tally the pieces as a group after group class. Once our group reaches 1,000 review pieces, the violinists will participate in a fun violin Olympics class in place of their normally scheduled group class! Please use the sheet provided at group class, your violin notebook or the attached form to keep track of your pieces!

NURTURED BY LOVE

Gulf Coast Music has recently acquired the accompanying movie to the required reading *Nurtured By Love*. Please join us for a 2-part viewing of the movie in **Room 1 on Sept 30th and Oct 7th at 4:00 PM**. This would be a great refresher for parents or an excellent introduction to the Suzuki Method.

***Always arrive 15 minutes before the start
of your scheduled group class to allow time
to unpack and tune your child's violin!***
