Artful Gardens Autistic and Special Needs Park and Playground Concert

55 Higginbotham Rd, Ft Myers 33905

<http://artful-gardens.org/>

Please arrive by 8:40am to unpack and tune. We plan to perform some of the pieces from the Ensemble Concert. The rest of the pieces will be chosen at the rehearsal on Monday, June 20th. Please attend that rehearsal if you plan to play in the concert. We will wear our red GCM tops and khaki bottoms. I will bring shirts to purchase to the rehearsal. I also have some donated shirts to share from growing students!

I inquired if there was anything that they need that we can donate. Mark, the executive director, told me that they need one gallon cans of brightly colored exterior paint—red, yellow, blue etc. It does not need to be expensive paint. It is not required, but if you would like to donate, please bring the paint to the concert.

Summer Practice Challenge!

You will receive 1 bead for every page completed and checked by your teacher in your music reading book. Receive a special bead for each 10 pages completed and checked. The beads will look so nice hanging on your case!
