I will provide a zoom link to share with your out of town family.

We are continuing our March challenge: 26 days of practice = a mini lego animal of your choice! Some students are already working on their second 26 days.

Our last email:

Dear Gulf Coast Music Families,

I know that many of you play the recordings and practice a lot! I would like to make this easier for you, so I joined the International Music Teachers Exchange. This means that our studio families now have access to their ONLINE MEDIA LIBRARY for the Suzuki violin and cello recordings at different speeds to listen to and to play along. To log in, use the website below and enter the following blue and white "Studio / School License Key".

Please let me know if you have any questions. And, please let me know if this is something that you enjoy and I will renew our subscription after 6 months.

ENJOY!

Sincerely,

Chris
