PRACTICE CHALLENGE

September 12 - December 12, 2023

Count EACH PIECE you play during your practice and mark the daily number on your handout.

Each week, the practice partner pays one penny for each piece played and you bring the money to group class to add to our jar. At the end of the challenge, (Dec 12, 2023) whoever played the most pieces, gets to pick which charity we will donate the entire jar of pennies to.
