Book and Twinkle Graduation

Sunday, September 15, 2024 – 2pm— Ft Myers Evangelical Free Church

Heather Bissell, a Suzuki piano teacher in Bradenton has organized a new group, the Florida Suzuki Association. The group would like teachers to network and have events together. I have invited all the Suzuki teachers and their students from Tampa to Miami to join us for this graduation. It's short notice and a big distance for them to travel, but we are hoping for the best since this is the first event!
