THE IMPORTANCE OF DAILY LISTENING - A GIFT TO ALL VIOLIN TEACHERS AND THEIR STUDENTS!

As we have learned in several Facebook groups, many sources for the Suzuki Violin Repertoire are difficult to find or do not work in some countries (e.g. Apple Music).

We are excited to announce that your students can listen to all pieces from the Suzuki Violin School Volumes 1-5 and additional Step by Step material for FREE in the IMTEX Online Media Library.

Additionally, we have included **YouTube videos** with nature imagery for Volumes 2-3 and 4-5, combined with the sheet music. This should solve many problems with daily listening.

Best wishes,
Kerstin Wartberg
